Handwriting practice lines for the second part of the 2-stemmed Runic letters. Each row consists of four horizontal lines (top, middle-dotted, bottom-dotted, and baseline). The letters are presented in a sequence: R, CS, Z, M, U, and Ú. Each letter is shown in a dotted format for tracing, followed by a solid black version, and then another dotted version for independent practice. The letters are positioned on the right side of the lines, with the rest of the line left blank for writing practice.
